Vernet-les-Bains
The "Chemin Kipling"
 1 hour; climb: 10m

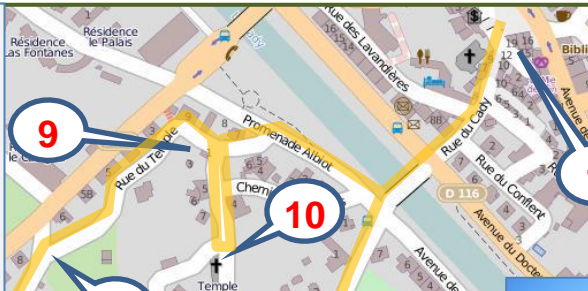

"Jardin d'hiver" (winter garden):
 extension of the circuit to "Kipling's
 rock" (out and back)

Vernet-les-Bains
**The "Belle Epoque"
 walk**
 1½ hours; climb: 50m

9 - Intersection of streets. We go to the right to see the Anglican church (10), then we return to this point (9). We go to the right...After an intersection, we climb to the right...We cross the river on the left...We climb up to our point of departure.

1 - THE START (Place République). We descend a stone staircase and we go straight ahead...We cross the river at the "Pont Kipling"...We go straight ahead ("Rue Louis Codet"). The Casino park is on the left.

8 - Bifurcation. We go to the right.

2 - Casino. We pass in front of this building and in front of the Hotel Portugal...After the "Thermes" (on the right), we go to the right and we follow a lane on the left which leads us to the "Laiterie".

3 - "Laiterie". We pass behind this building (we follow yellow waymarks)... We climb a little, towards a viewpoint over the River Cady...We go to the right (sharp turn)...We climb a little.

5 - Bifurcation. We go to the left (sharp turn).

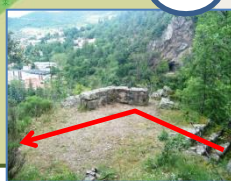

6 - Lane. We climb to the left, on the lane. A campsite is on the right...We go to the right, on a grass terrace...We descend some steps.

7 - Intersection of paths. We go to the right...After a covered reservoir, we go straight ahead along a lane (the entrance to the campsite is on the right).

4 - Second viewpoint. We descend and we follow carefully the yellow waymarks.

Vernet-les-Bains The dolmen and Corneilla-de- Conflent

3 hours; climb 300m

7 - Main road. We cross the road and we enter Corneilla. We pass through the old village and we follow a narrow street on the left to arrive at the church.

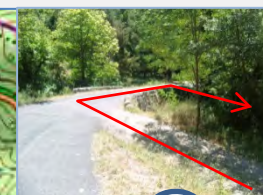

8 - Church. We turn back. We go to the left, and again to the left, to follow the "Cami Saint-Jaume". This lane bends to the left.

9 - Path, on the left, between two houses. We follow the path and we climb a very steep slope. After a short terrace on the left, the path, on the right, climbs again... We meet a track and we go straight ahead.

10 - Bifurcation. We go to the right. We follow the track for nearly three kilometres.

11 - Road (Vernet-Fillols). We go to the right and again to the right. We descend... We cross a footbridge and we enter Vernet. We follow red-and-yellow waymarks, to the "Entente Cordiale" monument.

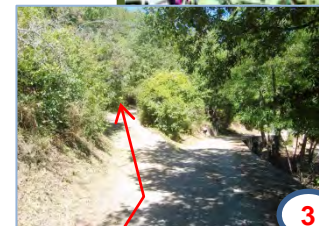

12 - Town hall (on the left). After the town hall, we go to the left. We descend and we follow the narrow streets of the old village... We arrive in the town centre, our point of departure

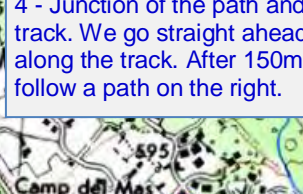

1 - The start (Place République). We descend a stone staircase, and we follow red-and-yellow waymarks... We cross the river ("Pont Kipling"). We go to the right... We meet the "Route de Sahorre" and we go to the left. We now follow yellow waymarks.

2 - Road junction. We go to the right, into the "Promenade Claude Nogué". We descend the road for about 800 metres... Road junction. We go to the left. We pass a former horse-riding centre ("Centre Equestre").

3 - Bifurcation. We go to the left... We follow a path which climbs the hillside, in woodland.

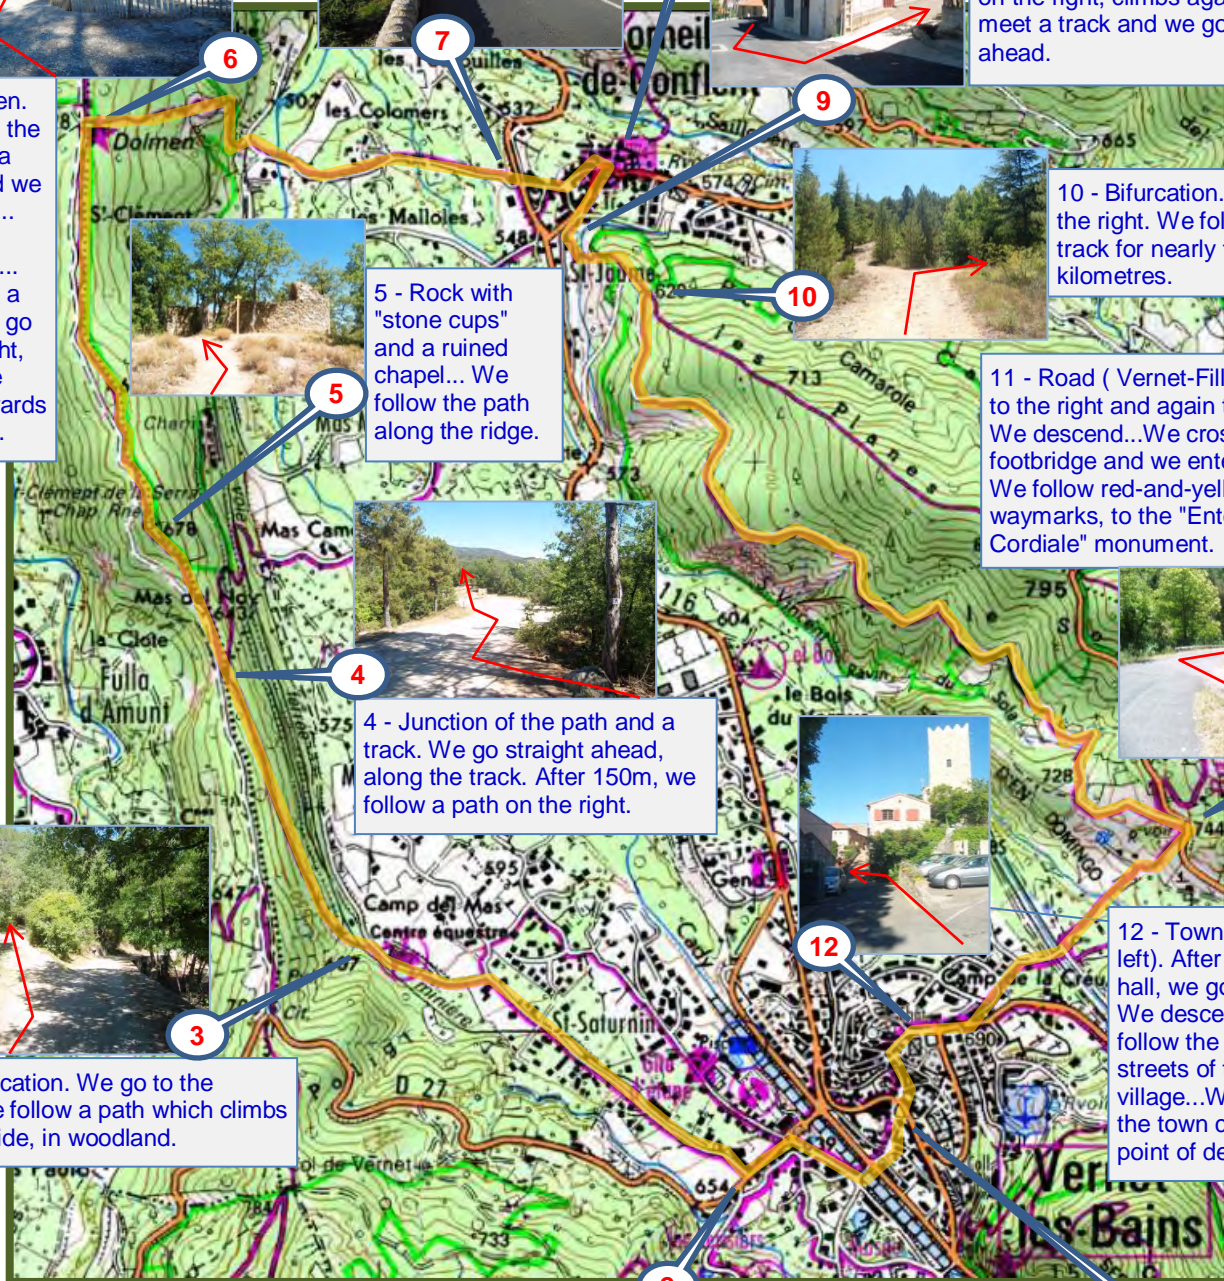

4 - Junction of the path and a track. We go straight ahead, along the track. After 150m, we follow a path on the right.

5 - Rock with "stone cups" and a ruined chapel... We follow the path along the ridge.

6 - Dolmen. We go to the right, on a path, and we descend... We see Corneilla... We meet a lane. We go to the right, along the lane, towards Corneilla.

12 - Town hall (on the left). After the town hall, we go to the left. We descend and we follow the narrow streets of the old village...We arrive in the town centre, our point of departure.

11 - Junction with the Route de Fillols. We go to the left...We follow red-and-yellow waymarks, to the "Entente Cordiale" monument.

Vernet-les-Bains
Pic de l'Alzina
3 hours;
climb : 350m

1 - The start (Place République). We cross the square and we go to the right. We follow the Avenue des Thermes, towards the southern entrance to the village.

12

11

4 - Junction of paths. We go to the right.

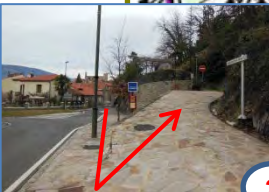

10 - Bifurcation. We go to the left. We are on the track between Vernet and the waterfalls...After a car park, the track enters the village...It descends towards the cemetery.

10

2

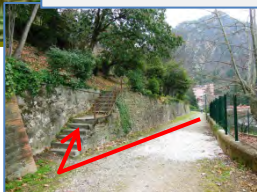

2 - Rond-Point du 18 juin 1940. We go to the left (Jardin d'Hiver).

5 - Viewpoint ("Plate-forme de Burnay"). We go to the left...The path zig-zags up the hill...then it descends a little (the Saint-Vincent valley is on the left).

3

3 - Staircase (on the right). We climb the staircase...We follow a path with yellow waymarks which winds up the hillside...We pass "Kipling's Rock" (with noticeboard).

6

6 - Bifurcation. We go straight ahead...The ascent continues.

9

9 - Bifurcation. We go to the left.

7

7 - Pic d'Alzina. We go straight ahead and the path descends.

8

8 - Col de Llavent. We go to the left...We pass a fine "orri" (stone cabin).

10 - Road (D6). We follow the road again (to the right), as far as a bridge.

11 - Junction (after the bridge). We go to the right, on a lane. The lane turns to the left, it climbs, and it passes a few houses... The lane becomes a track.

12 - Crossing of paths and tracks (dolmen opposite). We go to the right (we follow yellow waymarks)... The path climbs towards the St Clément chapel.

Vernet-les-Bains

Vernet - Fuilla

4 hours
climb: 350m

9 - After a few metres on the road, we go to the right on a lane which descends towards the river... The lane turns to the left ("Ancien Chemin de Villefranche")... It becomes a path... Then it becomes a lane again... We continue to follow this lane, with the river always on our right. (On the left: Fulla del Mig and Fulla d'Avall.)

8 - Road (D6). We go to the right, along this road.

7 - Bifurcation. We leave the former railway line and we go down the footpath on the left. At a crossing below, we go straight ahead and we descend on a minor road... The road crosses the River Rotja, then it leads us towards Fulla (Fuilla) d'Amunt.

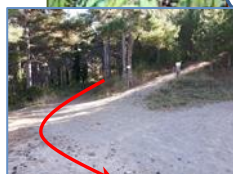

1 - **THE START** (Place République). We descend a stone staircase, and we follow red-and-yellow waymarks... We cross the river ("Pont Kipling"). We go to the right, then to the left (Rue du Temple), and then to the right... We climb towards a campsite ("Les Cerisiers").

2 - Campsite entrance (on the left). We go straight ahead and we follow a path which enters a forest... At a bifurcation we go straight ahead... At the second bifurcation we go to the right (sign for "Sahorre").

5 - Junction, under some pine trees. We descend, on the third track on the left (in the direction of Sahorre)... At a fork after a sharp left bend, we go to the right and we continue to descend on the main track... At a junction with the D27 road, we go to the left, along the road.

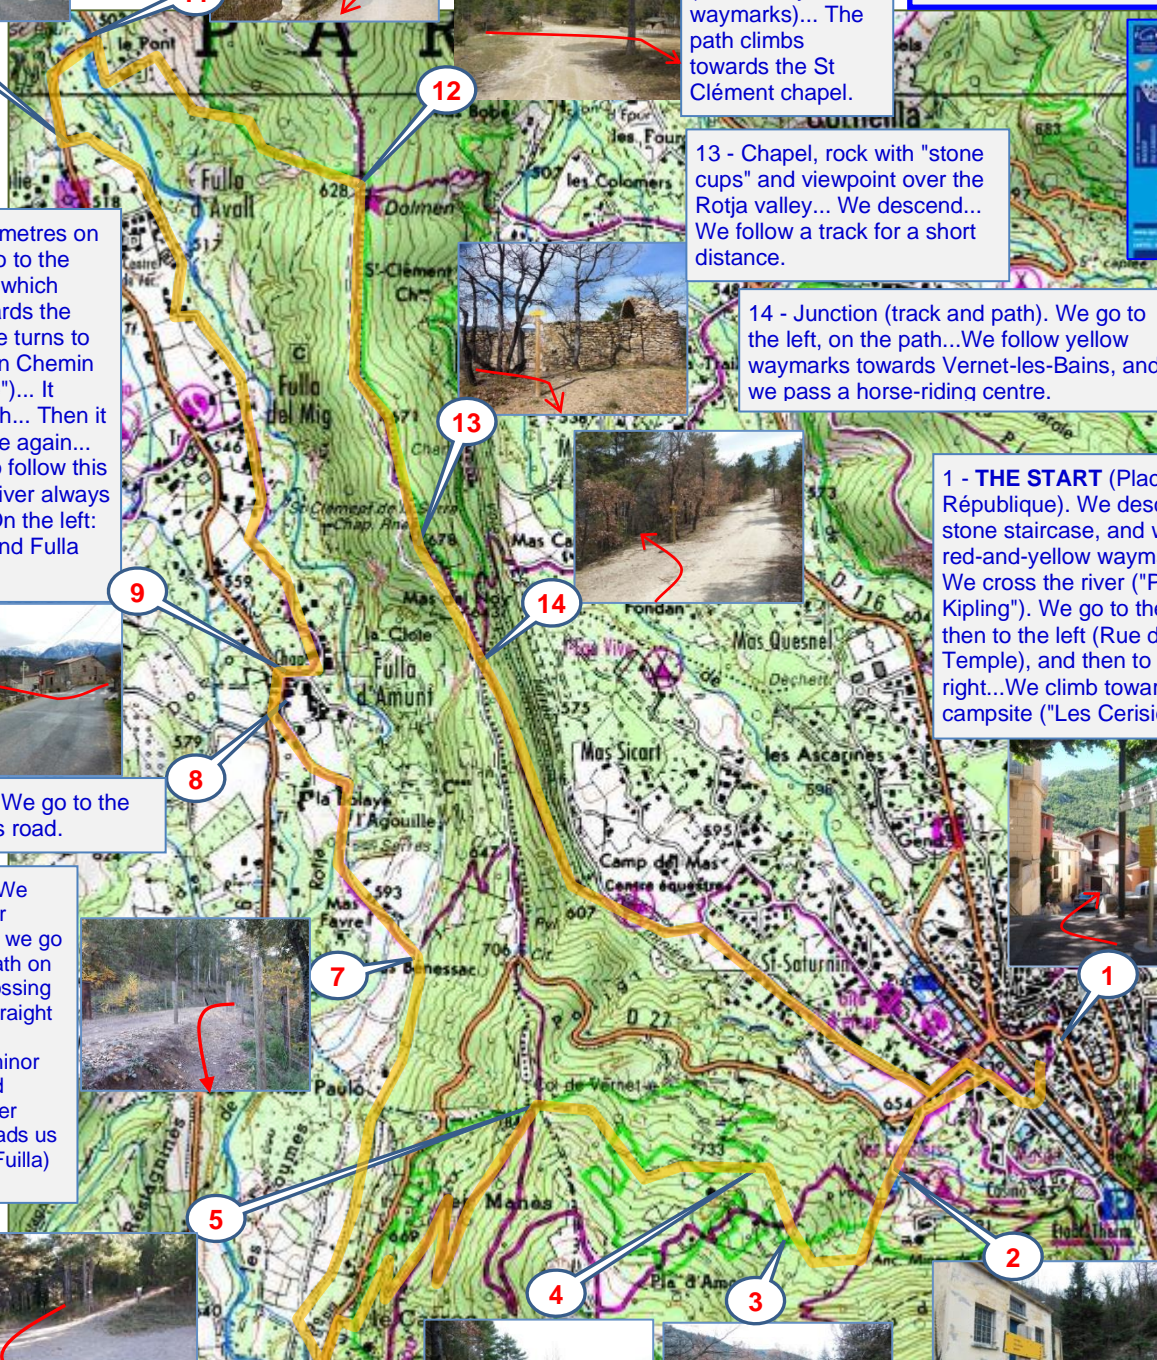

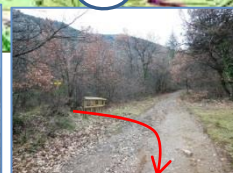

6 - Road junction. We go to the right, down the minor road. At the bottom, we go to the right, and we follow a former railway line.

4 - Junction of tracks. We go to the left.

3 - Junction of the path and a track. (Here we leave the red-and-yellow waymarks.) We go to the right and we follow the track.

Vernet-les-Bains

Vernet - Sahorre

(via the pylon)

4 hours
climb: 400m

5 - Junction, under some pine trees. We descend, on the third track on the left (in the direction of Sahorre)... We follow again red-and-yellow waymarks.

4 - Junction of tracks. We go to the left.

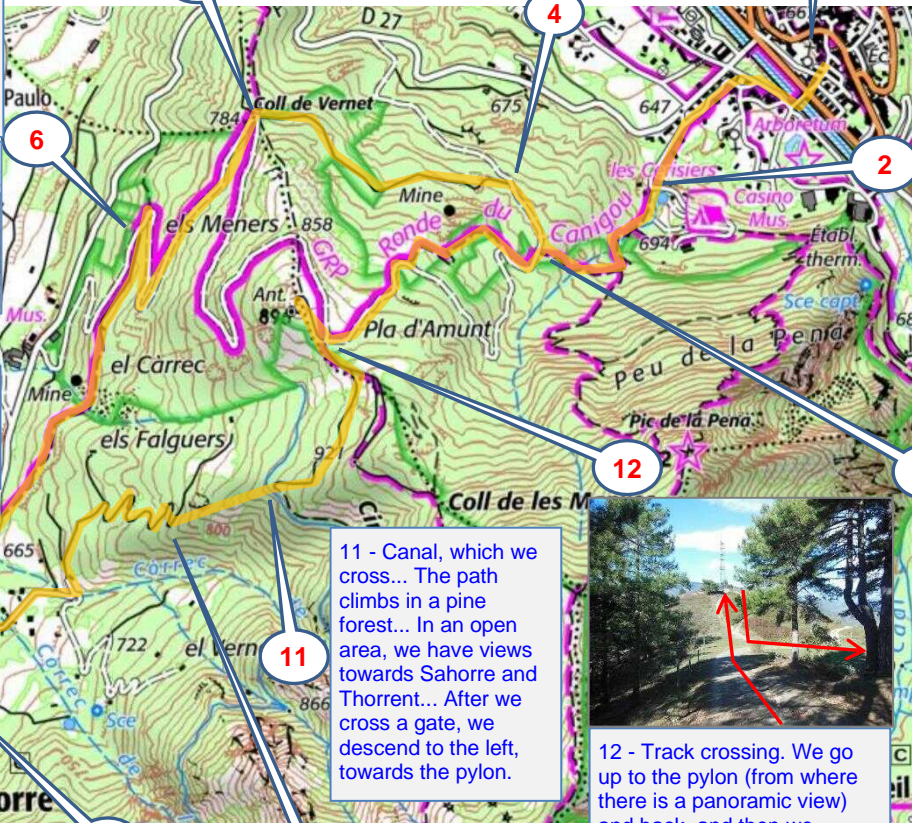

1 - **THE START** (Place République). We descend a stone staircase, and we follow red-and-yellow waymarks... We cross the river ('Pont Kipling'). We go to the right, then to the left (Rue du Temple), and then to the right... We climb towards a campsite ('Les Cerisiers').

6 - Bifurcation (track and path). We go to the left, along the path... We pass alongside some former mine buildings**... On the descent, the path crosses a footbridge.

7 - Road (D27). We go to the left, along the road, towards the village of Sahorre.

2 - Campsite entrance (on the left). We go straight ahead and we follow a path which enters a forest... At a bifurcation we go straight ahead.... At the second bifurcation we go to the right (sign for 'Sahorre').

3 - Junction of the path and a track. (Here we leave the red-and-yellow waymarks.) We go to the right and we follow the track.

11 - Canal, which we cross... The path climbs in a pine forest... In an open area, we have views towards Sahorre and Thorrent... After we cross a gate, we descend to the left, towards the pylon.

12 - Track crossing. We go up to the pylon (from where there is a panoramic view) and back, and then we descend to the left (and we follow once again red-and-yellow waymarks)... At a track-path junction, we go to the left, down the path... We join the track again and we follow the track to the right... At the track-path junction (point 3), we go to the right, and we follow our outward route all the way back to the start of this circuit.

8 - Sahorre. We go to the right (Placette San Cebria, Rue des Fontaines, Place de la République). Then we go to the left (on the D27 again), and we leave the red-and-yellow waymarks.

9 - Bifurcation of roads. We go to the right (signposted as the 'Sentier de Falguerosa')... We leave the village... At a bifurcation, we follow a track on the left... the track zig-zags up the hillside.

10 - Sharp bend and bifurcation. We climb the path ahead, through a forest of oak trees.

** "La Bobine" (restored; between points 6 and 7) - it formed part of a transport system which conveyed iron ore down to a railway line in the valley below.

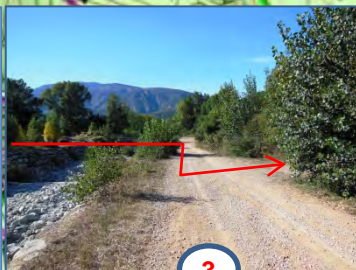

Vernet-les-Bains

Vernet - Fillols

4 hours
climb : 500m

3 - We cross a footbridge. We go to the right and, after a few metres, to the left...At an intersection with a road, we go straight ahead.

3

2 - We pass behind the monument and we go to the right...We go to the left to follow the Chemin des Escoumeilles.

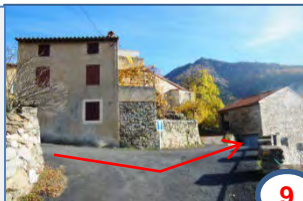

2

1 - The start (Place République). We cross the square, and we climb the "Rue du Canigou"...At an intersection, we climb to the left, to the Place de l'Entente Cordiale.

1

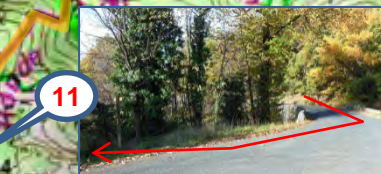

9 - Fillols. We go to the left and we follow red-and-yellow waymarks (as far as Vernet). We cross the village...At the D27 road, we go to the right.

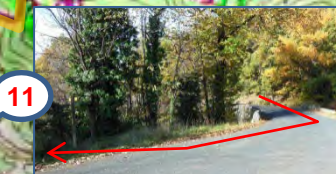

9

10 - We follow a path on the left...At a col, we go straight ahead...We meet the road again, where we go to the left.

10

11 - After a bridge, we go to the right.

11

12 - After the footbridge, we follow the outward route, into Vernet.

12

4

4 - Bifurcation, next to a small car park. We go to the left...After a few minutes, we go to the left again, onto a track (yellow waymarks).

5

5 - Col de Juell. We go to the right, and immediately to the right again...We climb.

6

6 - Viewpoint, with Fillols below.

7

7 - Intersection. We go to the left.

8 - Two intersections. We go to the left and then to the right...Lower down, we meet a track, where we go to the right...We cross a ford.

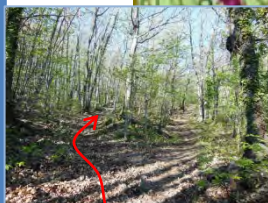

8

1 - THE START (Place République). We descend a stone staircase and we follow red-and-yellow waymarks...We cross the river at the "Pont Kipling". We go to the right, then to the left ("Rue du Temple"), then to the right...We climb towards a campsite ("Les Cerisiers").

2 - Campsite entrance (on the left). We go straight ahead, on a footpath which enters a forest...At a first bifurcation, we go straight ahead.

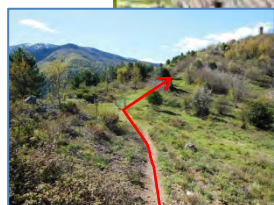

3 - Bifurcation. We go to the left (yellow waymarks).

4 - Bifurcation. We go to the right...The climb becomes steeper. We follow carefully the yellow waymarks.

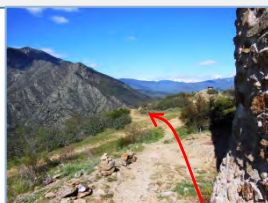

7 - Pic de la Falguerosa. We go to the left and we follow the path along the ridge...The path (still with yellow waymarks) climbs and descends several times.

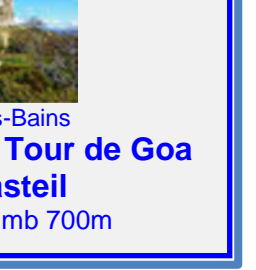

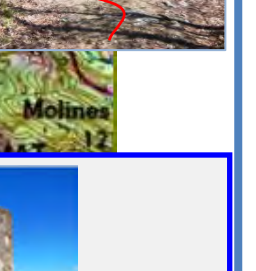

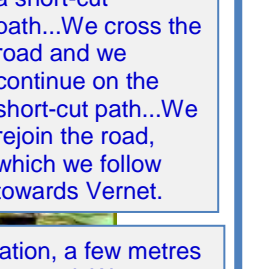

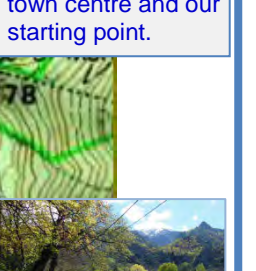

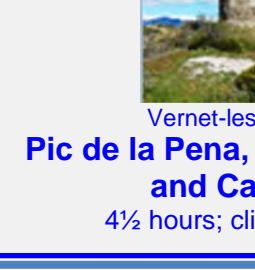

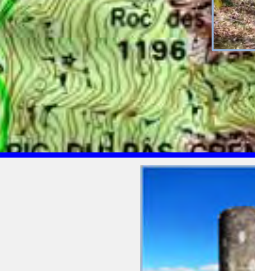

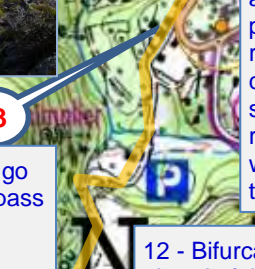

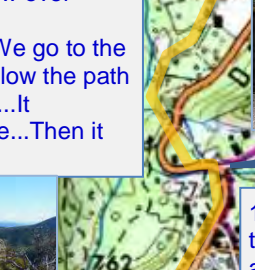

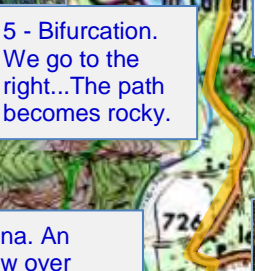

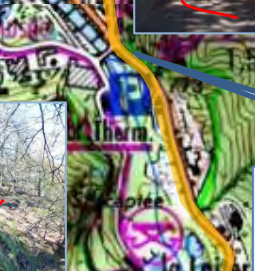

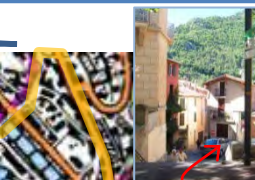

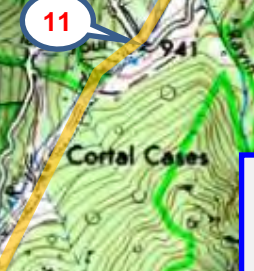

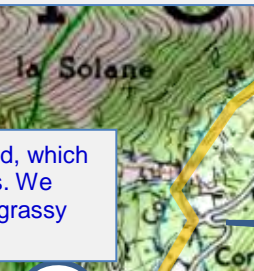

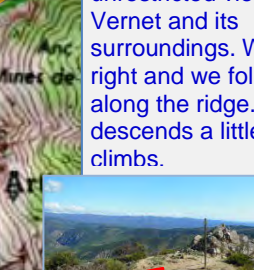

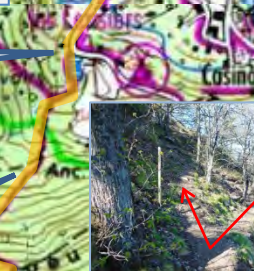

8 - Small col. We go straight ahead and we climb towards the tower.

9 - Tour de Goa and (beyond) a magnificent viewpoint. We descend to the left and we join a track which turns to the left...The track takes us to the Col de Jou.

10 - Col de Jou. On the left we go through a small gate. We follow a path which descends the valley...We pass a staircase and a second gate.

15 - Bridge (on the left). We go straight ahead, towards the town centre and our starting point.

14 - Car park (on the right). We follow a short-cut path...We cross the road and we continue on the short-cut path...We rejoin the road, which we follow towards Vernet.

12 - Bifurcation, a few metres ahead of the road. We descend, on a path on the left...We pass alongside an animal park...We climb a little.

Vernet-les-Bains
Pic de la Pena, Tour de Goa and Casteil
4½ hours; climb 700m

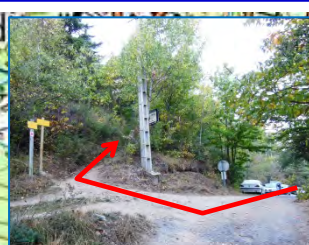

Vernet-les-Bains - Pic Cogoulo

via
the "Maquis" monument

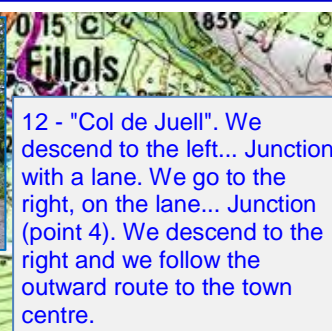

5 hours
Climb: 800m

3 - We cross a footbridge. We go to the right and, after a few metres, to the left... At an intersection with a road, we go straight ahead.

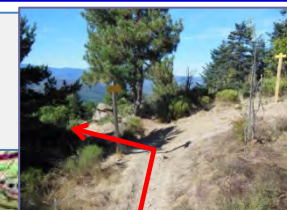

4 - Bifurcation, after a small car park. We go to the right, on a path... Our path climbs, in a forest... The path crosses an open plateau... The path re-enters the forest and it climbs in zig-zags.

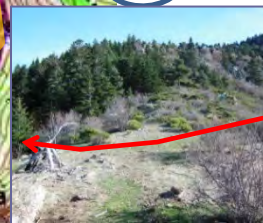

12 - "Col de Juell". We descend to the left... Junction with a lane. We go to the right, on the lane... Junction (point 4). We descend to the right and we follow the outward route to the town centre.

10 - Bifurcation. We go to the left. After a few metres - a second bifurcation, where we go straight ahead.

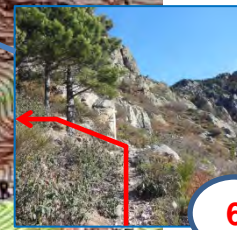

9 - Bifurcation. We go to the right.

8 - Col. (On the left - "Pic Cogoulo", access difficult; at the col, the "letterbox" labelled "Cogolló".) We go straight ahead. We descend, in a forest... The path descends in zig-zags.

6

6 - Bifurcation. We go to the left.

7 - Ridge. We descend a little, to the right... The path crosses the head of a valley.

11 - Bifurcation. We go straight ahead.

12

2 - We pass behind the monument and we go to the right... We go to the left to follow the Chemin des Escoumeilles, towards the St Vincent river.

1 - THE START ("Place de la République"). We cross the square, and we climb the "Rue du Canigou"... At an intersection, we climb to the left, to the Place de l'Entente Cordiale.
